

Disability Inclusion Coaching

Customized coaching to increase disability inclusion in your program

Coaching topics can include:

- Use of the [Basic Disability Screening for Adult Education](#)
- Disability culture
- ADA standards and expectations
- Role of the ADA coordinator
- Referral processes and testing
- Accommodations

At a minimum, your program will commit to:

- Sharing 1-3 program specific goals
- Inviting the right personnel to participate
- A plan to share your learnings with other staff
- 1-3 live meetings with the coach
- Completion of a follow-up survey

Why participate in coaching?

- Responsive and tailored guidance
- Coaching meets you where you are
- Only commit to doing what is realistic and feasible
- Form action steps and plans with your colleagues

Fill out this [interest form](#) and we will be in touch, or contact the SABES Program Support Team to schedule a coaching session today! jane_brandt@worlded.org

Read on to hear how others have benefited:

"We are in full support of SABES coaching for disability inclusion."

— Sunita Grigely Program Manager for Education, Hampden County Sheriff's Office

"Coaching with Andjela has been invaluable for us."

— Anna Fernandez-Buehrens, Program Director for Adult Basic Education, Julie's Family Learning Program

"As I was new to my role of ADA coordinator, I found the wealth of information extremely helpful."

— Anna Sandstrom, The Immigrant Learning Center on the ADA Coordinator training

"The PD was extremely helpful because it set out the steps to follow to increase accessibility and also offered all the resources needed to do this"

— Monica Soare, Jackson Mann Community Center, on the ADA Coordinator Training
