WARM UP

Hold up 1. Taking Steps photo. Say: **What do you see in this picture?**
Encourage people to start with the concrete works, like: foot, sand, step... then to the abstract: walking, path, trail (you don't need to give these words, see if students can suggest them).

Hand out 2. Journey of a Thousand Miles half sheet.
Ask them to read this to themselves. Ask: **What is a journey?** (point to this word on your photo). **Can you think of another word?** We want to talk to you about your “journey.” Today we want to talk about your journey of learning English.

Hold up 3. Goal met photo. Say: **Do you remember this photo?** We showed it to you in September. We were talking about goals then. Today we will talk about goals again.

Write this in the board: **“Goals are steps in our journey”**

Hand out 4. Introducing the Goal Sheet. Say: **Please read this to yourself, in your language, if you want.** Wait while students read it for 2 minutes, then say: **Let's reread it together** and read the English portion aloud to the class.
