

Developed by the SABES English Language Arts Curriculum & Instruction PD
Team, a project of World Education

FY26 SABES Evidence-Based Reading Instruction (EBRI) PD Series

The SABES English-Language Arts team offers a range of EBRI courses designed for ABE teachers of all levels. All teachers are encouraged to take the Overview of EBRI and Introduction to Diagnostic Assessment of Reading self-paced courses first.

Complete at least 10 hours of EBRI PD for your level to receive a **SABES EBRI Series Certificate of Completion**.

Evidence-Based Reading Instruction (EBRI) Courses

- [Overview of EBRI](#) (self-paced modules; 1 hour)
- [Introduction to Diagnostic Assessment of Reading](#) (self-paced modules; 1 hour) *
- [Unpacking the Science of Reading to Inform ELA Instruction](#) (online facilitated; 3 hours)
- [EBRI: Comprehension Strategies](#) (online facilitated; 1.5 hours)
- [EBRI: Teaching Academic \(Tier 2\) Vocabulary](#) *
- [EBRI: Fluency Strategies](#) (online facilitated; 1.5 hours)
- [Alphabetics \[Evidence-based Reading Instruction\]](#) (self-paced modules; 6 hours)

If you teach Emerging Readers (GLE 0-3)

- Complete all EBRI courses in the list; after Overview of EBRI and Introduction to Diagnostic Assessment of Reading, prioritize Alphabetics and Fluency

If you teach Intermediate Readers (GLE 4-8)

- Complete all EBRI courses in the list

If you teach Advanced Readers (GLE 9-12)

- Complete the first five courses in the list
- Complete EBRI Fluency Strategies, if needed

Visit the [SABES Calendar](#) for event dates and to register!

* If you would like training on administering diagnostic assessments or teaching academic (Tier 2) vocabulary, contact the ELA PD team for program-based PD or coaching after completing **Overview of EBRI** and **Introduction to Diagnostic Assessment of Reading**.
