Read the following statements, and check which box best describes your opinion of each statement.

	Strongly Agree	Agree	Not Sure	Disagree	Strongly Disagree
I believe the government needs to protect us from businesses that may take advantage of people.					
The government should provide services to the low-income, like health care.					
We need to make it harder in this country to own a gun.					
A woman should be able to have an abortion if that is what she wants.					
The government should do more to protect the environment and make sure businesses do too.
