

Job Postings - HiSet and ESOL Teachers

Pathways, Inc., the largest adult education program on the North Shore, is seeking highly committed teachers for several anticipated openings. Teachers with math teaching experience and teachers who are bilingual (English/Spanish) are particularly encouraged to apply.

1. HiSet in English and HiSet in Spanish Teachers - Mornings/Evenings:

Join our team of talented faculty members preparing students to pass the High School Equivalency Exam (HiSet). The ideal candidate will have experience teaching adult students in a collaborative environment, knowledge of effective adult education teaching practices and a demonstrated ability to create differentiated lesson plans. Math and science expertise is highly desirable. Competitive salary and benefits including generous paid prep time, vacation, sick and personal days. Paid professional development hours. Bilingual teachers are particularly encouraged to apply.

**Please submit a cover letter and current resume to:
Angela Harrison, Education Director, aharrison@pathwayslynn.org**

2. ESOL Teachers - Mornings/Evenings:

The ideal candidate will have experience teaching English Language Learners in a collaborative environment. Instructors must possess a knowledge of effective ESOL teaching practices and a demonstrated ability to create differentiated lesson plans. Successful candidates will be highly reliable and willing to work effectively with the ESOL team to create an innovative adult education experience. Competitive salary and benefits including generous paid prep time, vacation, sick and personal days. Paid professional development hours.
